Senate Committee on Student Discipline
REPORT ON ACADEMIC INTEGRITY VIOLATIONS (FY14)

The Student Code requires that the Senate Committee on Student Discipline act as a clearinghouse of all academic integrity violations found by instructors, departments, and colleges. Specifically Section 1-405(d) states:

"The executive director of the Senate Committee on Student Discipline shall compile an annual report to the Senate on the number and severity of such infractions of academic integrity, without identification of the individuals involved. The report shall be available to the public."

This report reflects all violations of the academic integrity policy **reported** to the Senate Committee on Student Discipline which were fully resolved (appeal process has expired) from July 1, 2013 through June 30, 2014. Cases which are still on appeal will be reflected in next year's report.

The Senate Committee on Student Discipline regards academic integrity violations seriously and appreciated the efforts of the faculty in confronting such violations and reporting them to the institution.
